

# CABLES & EYELETS COWL

PAPER TIGER PATTERNS  
WWW.PAPER-TIGER.NET

This pattern was adapted with permission from JL Yarnworks' "Hermione's Cable & Eyelet Hat" by Jackie Lauseng: <http://jlyarnworks.blogspot.com/2008/07/hermiones-cable-eyelet-hat.html>

## MATERIALS

16" US #5 circular needle, or DPNS  
approx. 200 yards of sport weight yarn  
1 cable needle or DPN for cables

## GAUGE

7 stitches and 7 rows per inch

## DIRECTIONS

Cast on 132 stitches. Join to make round, being careful not to twist stitches.

Rounds 1-10: [K1, P1] around. For a cleaner look, you can do 1x1 twisted rib instead ([K1 through back loop, P1] around)

Next, you can either follow the instructions below for rounds 11-22, or follow the chart on the next page. The end result is the same, but since some knitters are more inclined to reading text while others like visual instructions, I have edited the pattern to include both!

Rounds 11-14: [K6, P5] around

(directions, continued)

Round 15: [K6, P1, YO, P2tog, P2] around

Round 16: [K6, P5] around

Round 17: [K6, P2, YO, P2tog, P1] around

Round 18: [K6, P5] around

Round 19: [K6, P3, YO, P2tog] around

Round 20: [K6, P5] around

Round 21: [Slip 3 stitches onto cable needle and hold in front of work, K3, knit stitches on cable needle, P5] around

Round 22: [K6, P5] around

Repeat the last twelve rounds 4 times, for a total of 5 pattern reps, or to desired length. (If you're working with heavier yarn, you'll probably want less reps)

Work 4 rounds of [K6, P5].

Knit 10 more rounds of 1x1 rib (or twisted rib).

Bind off all stitches and weave in ends.
